The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas which should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victor or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the Hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depths will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on the campus. Appearing on the cover of this commencement program is a pen and ink drawing of the entrance to Old Main, by artist Jay Bogan.

Commencement Program

University of Arkansas

10:00 a.m.

Saturday, May 16, 1981

| | | |
|---------------------------------------|---|-----------------------------------|
| Pre-ceremony Concert (9:30 a.m.) | University Band Mr. Eldon A. Janzen, <i>Conductor</i> | |
| Processional | University Band | |
| National Anthem | Mrs. Jan Groh <i>Instructor in Music Education</i> | |

John P. Owen, *Dean, College of Business Administration*
John C. Guilds, *Dean, College of Arts and Sciences*
C. Murray Smart, Jr., *Dean, School of Architecture*
Glenn W. Hardy, *Dean, College of Agriculture and Home Economics*

The University Mace and Batons

The Mace and Batons are symbols of the authority and history of the University and are made from newel posts from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The Batons are carried by members of the faculty who have served as chairs of the University Senate or the Campus Faculty. The Mace is carried by the Chief Marshal, who is the current chair of the Campus Faculty.

Marshal's Gowns

The gowns worn by the Marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University honors. White represents High Honors (summa cum laude) and cardinal represents Honors (cum laude).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or dark blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institution. The lining of the hoods denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Some examples are listed below:

| | | | |
|--------------------------|---------------------|-----------------------|----------------------|
| Agriculture | <i>Maize</i> | Medicine | <i>Green</i> |
| Arts and Letters | <i>White</i> | Music | <i>Pink</i> |
| Business and Bus. Admin. | <i>Drab</i> | Nursing | <i>Apricot</i> |
| Dentistry | <i>Lilac</i> | Pharmacy | <i>Solid Green</i> |
| Economics | <i>Copper</i> | Philosophy | <i>Dark Blue</i> |
| Education | <i>Light Blue</i> | Physical Education | <i>Sage Green</i> |
| Engineering | <i>Orange</i> | Public Administration | <i>Peacock Blue</i> |
| Fine Arts | <i>Brown</i> | Public Health | <i>Salmon Pink</i> |
| Forestry | <i>Russett</i> | Science | <i>Golden Yellow</i> |
| Home Economics | <i>Maroon</i> | Social Science | <i>Cream</i> |
| Humanities | <i>Crimson</i> | Social Work | <i>Citron</i> |
| Journalism | <i>Crimson</i> | Speech | <i>Silver Gray</i> |
| Law | <i>Purple</i> | Theology | <i>Scarlet</i> |
| Library Science | <i>Lemon Yellow</i> | Veterinary Science | <i>Gray</i> |

B.S., University of Central Arkansas

Mark Don Zimmerman¹

B.S., Metropolitan State College

★ Indicates degree with Honors.

★★ Indicates degree with High Honors.

★★★ Indicates candidates for departmental honors in the College of Arts and Sciences.

The cardinal stoles and white stoles worn by the degree candidates indicate graduation with Honors and High Honors respectively.

¹Indicates student was awarded diploma dated August 16, 1980.

²Indicates student was awarded diploma dated January 3, 1981.

Directed by: Professor James M. Walker

Robert Willis Edwards

B.S., University of Kentucky
Dissertation: "Cellular Interactions in the Immune Response of Mice Infected with *Nippostrongylus brasiliensis* (Nematoda)"
Directed by: Professor David A. Becker

¹Indicates student was awarded diploma dated August 16, 1980.

²Indicates student was awarded diploma dated January 3, 1981.

Note: The above list contains the names of all prospective degree candidates and is not an official list of those actually receiving degrees.

HONORARY DEGREES

Doctor of Laws

Charles Minor Kittrell, II
Robert Shults

CITATIONS

Distinguished Alumni

W. Harry Feinstone
John Paul Hammerschmidt
Euine Fay Jones

Honorary Degree Commendation

Charles Minor Kittrell, Jr.

Charles M. Kittrell is an executive vice president of Phillips Petroleum Company, a corporation with world-wide operations whose officials have taken an active and highly beneficial interest in the programs of the University of Arkansas.

Mr. Kittrell holds the responsibility for directing all of his company's support functions, including research and development, engineering and corporate services, and corporate relations programs. Upon his appointment as an executive vice president in 1974 he was responsible the next six years for the company's transportation, refining, and marketing activities. He has been associated with the company since his graduation from the University of Arkansas in 1950 with a degree in industrial engineering. (In 1967, he was inducted into the University's Engineering Hall of Fame.) Following a number of promotions, he moved into the top echelon of the company's officials when he was elected a senior vice president in 1971.

Phillips Petroleum is the largest out-of-state employer of University of Arkansas graduates and it has provided some of the most diversified donations to the University's programs of teaching and research among all of the institution's individual and corporate donors. These donations, to which Mr. Kittrell gave influential support, include a large gift to establish a distinguished chair in International Economics, a large number of scholarships for students in several disciplines, and significant support for the Bessie Moore Center for Economic Education and for the engineering minority students program.

Mr. Kittrell is a special advisor to the President's Council on Physical Fitness. He is past chairman of the American Petroleum Institute's General Committee on Transportation. This year he was named by the chief of staff of the U.S. Air Force to serve as a member of the Board of Visitors to Air University, Maxwell Air Force Base, Montgomery, Alabama, where professional military education is provided for the personnel of the Air Force.

Honorary Degree Commendation

Robert Shults

Robert Shults is a distinguished attorney and former chairman of the University of Arkansas Board of Trustees, a position in which he displayed exemplary ideals of leadership in higher education. Mr. Shults will always be regarded in the University family as a man who fearlessly championed some of the most treasured principles in academe, particularly those involving intellectual excellence, equal opportunity, and freedom of thought and inquiry.

Mr. Shults served on the Board for ten years. He is a distinguished and versatile scholar who graduated cum laude from the Harvard Law School in 1953 after receiving a baccalaureate degree in electrical engineering from Louisiana State University. He served as editor of the *Harvard Law Review*.

His courage as a leader in higher education and civic causes is matched by his physical bravery which brought him a battlefield commission in France during World War II, along with such decorations as the Bronze Star for Valor and the Presidential Citation.

He has won distinction in the legal profession as president of the Pulaski County Bar Association, as chairman of the Legal Education Council of the Arkansas Bar Association, and as chairman of the Executive Committee of the American Bar Association and American Judicature Society.

His civic and community leadership includes his service as chairman of the Little Rock Great Decisions Program, as chairman of the Economic Opportunity Agency of Pulaski County, and as chairman of the Bi-Racial Committee of the Little Rock Public Schools. He currently serves as trustee of the Winthrop Rockefeller Foundation, as director of the National Audubon Society, as trustee of the Arkansas Art Center, and as director of the Arkansas Chapter of the Arthritis Foundation.

Distinguished Alumnus Citation

W. Harry Feinstone

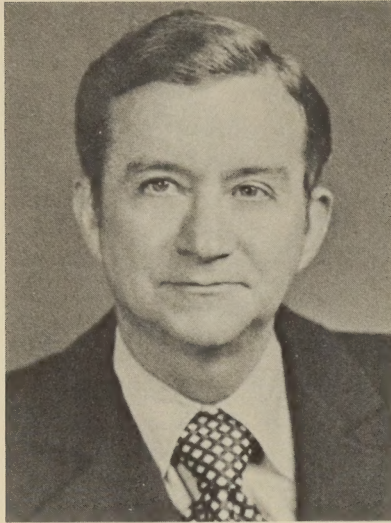

W. Harry Feinstone is an exceptionally talented research scientist and corporation executive. He currently serves as Distinguished Research Professor in the Department of Biology at Memphis State University, a position he assumed in 1976. Prior to joining the Memphis State faculty he held important responsibilities for four science-oriented corporations. He served Plough, Incorporated, in such posts as corporate vice president for research and development, as executive vice president for the firm's Ethical Pharmaceutical Subsidiary, and a president of Plough Laboratories. He has served in other leadership positions for American Cyanamid Company, Nepera Chemical Company, and C.B. Kendall Company.

Dr. Feinstone's highly significant achievements to science include the development of some of the world's most widely used pharmaceutical products, among them being sulfadiazene and other sulfonamides, the antihistamine Thonzylamine, theophylline derivatives, and Di-Gel. He has published extensively in scientific journals and holds more than a dozen patents in the drug development field. At one time he managed his own independent research laboratory.

Following his graduation from the University of Arkansas in 1936, Dr. Feinstone was selected as a University Scholar and Chemical Foundation Fellow in Chemotherapy at the Johns Hopkins University. He received his Doctor of Science degree from Johns Hopkins in 1939.

He is a member of a number of professional and scholastic societies and is a member of the Scientific Advisory Committee of The Proprietary Association.

Distinguished Alumnus Citation

John Paul Hammerschmidt

The Honorable John Paul Hammerschmidt has served Arkansas as its representative from the Third Congressional District for the past 15 years, being elected to eight consecutive terms. He has been an effective leader in Congress in programs involving public works and transportation, and veterans affairs, being the ranking member of the subcommittees dealing with these programs. He is also one of the original members of the Select Committee on Aging.

Congressman Hammerschmidt authored the legislation which preserves the Buffalo River as a free-flowing stream and which includes the Buffalo National River in the national park system. He co-authored the Water Pollution Control Act under which hundreds of Arkansas towns and cities have received federal grant assistance in building and improving sewage collection and treatment facilities. He is credited with securing a special category of highway funding to begin improvements along the Highway 71 corridor from Fort Smith north to the Missouri border.

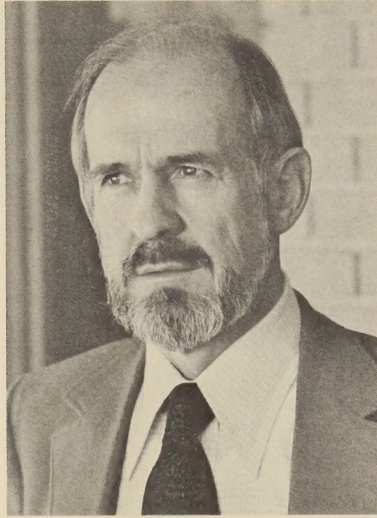

As one of the most effective members of Congress in the area of veterans affairs, he holds a distinguished record as a veteran of the famous China-Burma "hump" flights in World War II, piloting combat cargo planes and winning the Distinguished Flying Cross with three Oak Leaf Clusters and the Air Medal with four Oak Leaf Clusters.

The Arkansas congressman has represented the United States at the International Aerospace Exposition in Paris in 1977 and 1979 and he was one of 15 members of the Congress to participate in the 1977 mid-East talks. This was the historic occasion when Egyptian President Sadat accepted Israeli Prime Minister Begin's invitation to come to Israel and address the Knesset.

Mr. Hammerschmidt was a leading Arkansas businessman before entering Congress, owning and operating the Hammerschmidt Lumber Company of Harrison and serving as president of the Arkansas Lumber Dealers Association and of the Southwestern Lumberman's Association headquartered in Kansas City.

In addition to his attendance at the University of Arkansas, Mr. Hammerschmidt attended The Citadel and Oklahoma State University.

Distinguished Alumnus Citation

Euine Fay Jones

Euine Fay Jones is one of the world's most widely-recognized architects. The lengthy list of his honors and awards include the Rome Prize Fellowship awarded by the American Academy in Rome, Italy; the Faculty Distinguished Achievement Award from the University of Arkansas Alumni Association; two First Honor Awards and two Awards of Merit by the American Institute of Architects in cooperation with *Life* and *House and Home* magazines; and an Architectural Award of Excellence by the American Institute of Steel Construction.

Professor Jones is a member of the faculty in the School of Architecture of the University of Arkansas and was chairman of the Architecture Department when it was elevated to the status of a professional school in the University. He also has taught on the faculties of Rice University and the University of Oklahoma, joining the Arkansas faculty in 1953, the same year in which he won a fellowship to study and work with Frank Lloyd Wright at his famous Taliesin project in Arizona.

Articles concerning Jones' work, along with photographs of his architectural designs, have appeared in 13 nationally circulated magazines and in eight professional journals. His academic prestige is of such magnitude that he has accepted invitations from 42 institutions of higher education and professional schools to serve as visiting lecturer. He has placed architectural exhibits in well-known art and architecture centers across the country.

Professor Jones received his baccalaureate degree from the University of Arkansas in 1950 and his Master of Architecture degree from Rice University in 1951.

He was an aviator in the Naval Reserve for 14 years and served on active duty for three years in World War II.

COLLEGE AND SCHOOL CEREMONIES
